

Baylor Bound Agreement

A Memorandum of Understanding Between

Baylor University and Collin County Community College District

Baylor University and Collin County Community College District are committed to expanding educational opportunities for the people of Texas. The citizens of Waco and Texas generally already benefit greatly from the presence of both Baylor University and Collin College. While Baylor University has received transfer students from Collin College for years, both institutions desire to strengthen their ties by establishing a transfer agreement for the benefit of students and the state of Texas. The program is intended to serve Collin College students who, upon meeting the criteria below, will transfer to Baylor University toward the goal of completing their undergraduate degree.

In order to ease the process of transferring students and to foster academic relationships between the two institutions, Collin College ("Collin") and Baylor University ("Baylor") agree to the following "Baylor Bound Agreement":

1. Students may declare their intent to transfer to Baylor by submitting the *Baylor Bound* application. They may submit the application prior to enrollment at Collin or while enrolled as a full-time student at Collin. Baylor's Office of Admission Services will determine admission to the program.
2. Baylor will provide appropriate transfer equivalency guides (Major Academic Planners--MAPs) to identify courses that may transfer to Baylor from Collin on the Baylor and Collin websites.
3. Students must be enrolled in an approved AA or AS academic program leading to an approved Baylor BBA, BA, BSW, or BS degree and refer to Baylor's Major Academic Planner when planning coursework.*
4. A student's formal application for admission to Baylor will be activated when the student has completed the Baylor application for admission. Baylor's official admissions decision will be made after all appropriate documents have been received and reviewed by Baylor.*
5. Baylor will make available to Baylor Bound students information about scholarships for transfer students.
6. Baylor will provide Baylor Bound students expanded opportunities to learn more about Baylor through special mailings and scheduled visits with Baylor representatives.
7. Students will be made aware of the opportunity for the reverse transfer of credits back to Collin for an AA or AS degree if they complete a Baylor transcript request for each semester they are enrolled at Baylor.
8. Collin students can utilize the Baylor Library System through the interlibrary Loan Agreement (<http://www.baylor.edu/lib/ils/>)
9. Consistent with FERPA regulations, officials from Collin and Baylor will collaborate to share disaggregated statistical information about students, including participants still enrolled at Collin, participants who have enrolled at Baylor, and participants who graduate from Baylor.

10. Baylor Admission Marketing (BAM) will provide text to Collin to be utilized in promotional materials, including websites. Collin will share any additional text by BAM before publishing to ensure a consistent message to all recruits from both institutions.

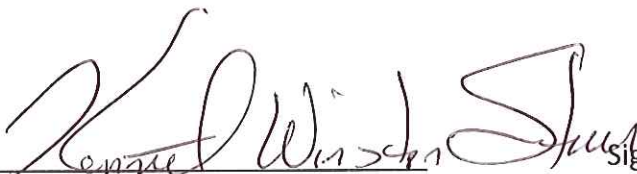

This agreement shall become effective January 26, 2015, and shall remain in effect until terminated in writing by either party.

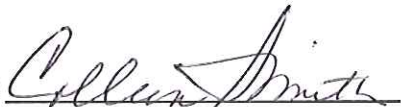

*Please note the following:

- To view Collin MAPs for the approved academic programs and degrees, refer to www.baylor.edu/advising/bbmaps. Any coursework not listed on a MAP that a student takes at Collin will be evaluated for equivalent transfer credits by the Admission Services Office. Such courses will not necessarily count toward degree requirements, as is the case with all courses listed on MAPs.
- For current admission requirements and transfer credit policies, visit the Admission Services website (<http://www.baylor.edu/admissions/>). Certain majors, colleges/schools and departments may also require a higher GPA and/or portfolio/recital/audition-based admission.
